

Needs Assessment and Financial Assessment Process Map

Likely to require more traditional Homevisit to ensure all needs are being met

Must support advocate use and enable friends and family to support remotely.

Heavy on animations showing varying levels of need

Shorter 'verification' type homevisit with potential to move goal posts as confidence in product increases.

Output from previous project delivered:

Mini Assessment - <https://demo.betteroff.org.uk/#/forms/CA/show>

Full Assessment - <https://demo.betteroff.org.uk/#/forms/FCA/show>
